

## Volunteer Rosters— May, June, and August 2003 Work Sessions

The rosters for work sessions A, B, C, D, E, and F list the volunteers and their work assignments immediately prior to the beginning of the sessions. Volunteers may have worked on other projects because of shifting project needs, but that will not be reflected in the rosters. If a volunteer's name is missing from these rosters, please contact the Albuquerque office.

## Election Procedures

In accordance with our bylaws, in this issue of the C&TS Dispatch we are publishing a description of our Board of Directors election procedures. Article Six of the bylaws provides that our members shall elect directors.

Nominations for election to the board are made by the nominating committee or by petition. The five (5) member nominating committee is appointed by the board, and its duty is to nominate qualified candidates for as many seats as are vacant. Additional candidates may be nominated by petition. A petition for nomination shall contain the name of the nominee, the nominee's consent to serve, the seconding signatures of three (3) voting members, brief biographical information about the nominee, and the nominee's statement of candidacy.

The board will appoint the nominating committee at its meeting in Colorado Springs, Colorado, on Saturday, November 8, 2003. Interested candidates should contact any officer, director, or member of the nominating committee to express an interest in serving on the board. All nominations by petition must be received in our Albuquerque office by Thursday, March 18, 2004. Elections shall take place by written ballots that will be mailed by Thursday, April 29, 2004. To be counted, ballots must be received by our Albuquerque office by Thursday, June 3, 2004 (15 days before the annual meeting in Chama on Friday, June 18, 2004).

At its October 2001 meeting, the Board of Directors amended the bylaws to provide for the making of election rules and procedures. The board adopted a rule providing

that the ballot for election of directors shall distinguish the slate of individuals nominated by the nominating committee from individuals nominated by petition.

## Election Results

Eight hundred sixty-six ballots were cast in the 2003 election for nine directors of the corporation. The following six directors were re-elected to two-year terms (votes for each candidate are also given). Geoffrey Gordon, 793; James Herron, 789; William Lock, 792; Jerry Sahnd, 776; Dennis Sterosky, 789; and Spencer Wilson, 795. The three new directors elected for two-year terms were Nan Clark, 790; Richard Cowles, 788; and Edgar Lowrance, 785. At their meeting in Chama on June 21, the directors elected the following officers of the corporation for 2003-2004: James Herron, chairman of the board; Jerry Sahnd, vice chairman; Curt Bianchi, secretary; and Dennis Sterosky, treasurer. The executive committee (EC) consists of the four officers plus William Lock as the New Mexico EC representative, Geoffrey Gordon as the Colorado EC representative, Robert Craine as the at-large EC member, and President and CEO Brian Shoup as *ex officio* EC member.

## Amherst Grant

The Amherst (Massachusetts) Railway Society, Inc. has awarded \$1,000 to the Friends towards the restoration of caboos 0579. The grant proposal was the work of Friends' member and former director Cal Smith. The 0579 is one of the former Denver & Rio Grande Western's short (16 feet) cabooses. The funds will be used for wheel and truck work.

### Additional Donors to *Another Century of Narrow Gauge Steam Through* June 13, 2003

Sue and Fred Crissey, Howard Bunté, Terri Shaw, and Jim Herron were inadvertently left off the *Another Century of Narrow Gauge Steam* donor list that appeared on pages 8 and 9 of the 2002 Annual Report in the Summer 2003 issue of the C&TS Dispatch.

### Moving or Have Moved?

If you will be moving or have moved, please notify the Albuquerque office of your change of address. The office address is 6005 Osuna Rd. NE, Albuquerque, NM 87109, and the telephone number is (505) 880-1311.
